

World hunger is the largest problem the human race faces at this time with an estimated 800 million people in some type of food-related crisis. **Everyday more than 40,000 people die from hunger-related causes—that's one person every two seconds.**

Hearts & Hands Against Hunger of Hastings is a nonprofit organization whose mission is to end that tragedy by packaging and shipping life-saving meals to starving and malnourished children in developing countries and the United States. The meals, formulated by Cargill, Pillsbury, General Mills, and ADM food scientists, provide a rich source of easily digestible protein, carbohydrates and vitamins needed by the bodies and minds of undernourished children.

YES, I want to support the work of Hearts & Hands Against Hunger of Hastings

- \$23.00 feeds 100 malnourished children their daily school lunch
- \$69.00 pays for one box of meals that will feed 300 children
- \$84.00 feeds one starving child one nutritious meal per day for a year
- \$500.00 feeds over 2,000 malnourished children
