Break out the bell bottoms and neon bike shorts as we tour the quiet, paved roads of Adams County. Kiwanis and Healthy Hastings are partnering to raise funds to providing bicycles and helmets to children in Adams County. Open to all ages, the TACKY Tour will be a fun, non-competitive bike ride with distances of 10, 22, 31 or 52 miles.

While riding, listen for the barks from the prairie dog town as you pass by. Take in the sights of the former Naval Ammunitions Depot with its historic brick buildings and row after row of storage bunkers. The largest naval munitions plant during WWII, it produced over 40% of the U.S. Navy's munitions during the height of the war.
